Opening Prayer/Enrichment: Father David led the group in prayer and reflection

Father David shared a rendering of the church door project and explained that Finishers Unlimited is going to rework the transom and add more light to the entryway. Daiek Woodworking provided the detailed drawings of the doors, and he stated that Daiek believes that this can be completed by the end of 2018. There will be an automated door opening system added to one door, to allow unassisted access for handicapped individuals. The updated bid will be submitted soon.

The Recording Angel Newsletter is distributed 2 times a year. The production of this falls upon a few people who are already heavily burdened. Father David stated that many things within the newsletter are provided in the weekly bulletin. It was proposed to the council to eliminate the distribution of the newsletter at this time and the council agreed that it is a lot to ask. It was suggested that it be condensed to one newsletter a year, and to seek a parishioner who might be interested in editing and heading it. Father David will take these suggestions into consideration.
